CAREER OBJECTIVE:

As a motivated fresher seeking a Software Developer role in within the Information Technology industry, I bring a strong foundation in Java. My interpersonal skills include strong communication, effective teamwork, excellent problem-solving abilities, and leadership skills. Committed to continuous learning, I aim to advance to a senior role within five years, contributing to innovative projects and organizational success.

EDUCATIONAL QUALIFICATION:

Bachelor of Science in Computer Science	SDNB Vaishnav College for Women	Pursuing	82%
Higher Secondary Certificate (HSC)	Holy Family Convent School [State Board]	2022	87%
Secondary School Leaving Certificate (SSLC)	Holy Family Convent School [State Board]	2020	70%

PROJECTS:

Restaurant Web App | Sep 2024 – Oct 2024

Built an easy-to-use web app for restaurants, allowing users to browse menus, place orders, and make reservations. Focused on a smooth, interactive design using HTML, CSS, and JavaScript for a great user experience.

Stoic Application UI/UX Design | Jan 2024 – Feb 2024

Created a user-friendly interface for a mobile app focused on mental well-being, emphasizing minimalist design and intuitive navigation.
